MESSAGE FROM YOUR PRESIDENT KEN BACCETTI

As I sit at my computer and type my President's message, I would first like to thank Vice-President Mike Phillips, his wife Diana and Board Member Denise Boos for hosting our September dinner, meeting and seminar in my absence. When I'm unable to attend our meeting night's I know our membership is in good hands with Mike, Diana and Denise at the helm. Thank you again.

I'm excited to remind you that the "Rio Vista Bass Derby and Festival" is here upon us. This year the fun filled 3-day event will be held on Friday, October 2nd, Saturday, October 3rd, and Sunday, October 4th. Our Isleton Chapter has once again been asked to be the "official weighmasters" for the derby. The adult striped bass money portion of the derby will return to a "targeted length" and salmon has also been reintroduced in the adult category. Each adult angler may only enter ONE striped bass and only ONE salmon in each of these categories for the money portion of the derby. There will also be a "Second Chance Striped Bass Raffle" this year as in past years where adult participants may enter ONE striped bass EACH DAY that meets the announced "slot" to be eligible to win a raffle prize. The Rio Vista Chamber of Commerce may add additional prizes in each the adult striped bass and salmon money categories. Additional prizes will depend on the amount of donations received from sponsors and supporters. The children's portion of the derby will be the same as in past years. If you would like to help us at the weigh station, just drop by as we can always use the help. For more information go to www.bassfestival.com.

Now onto our fishing photo contest winner from our September 9, 2026 meeting night. Vice-President Mike Phillips announced our fishing contest winner for September 2026. The winner for September is Al Lim. Congratulations Al! Remember, all Isleton Delta Chapter members in good standing are eligible to enter one monthly photo for our fishing photo contest. So, if you're a member in good standing of our chapter, text your fishing success photo with your name included to President Ken Baccetti at 415-602-1298. All photos received will be included in our monthly newsletters, on the Isleton link or the website, and on our Instagram page. Our next Grand Prize fishing contest photo winner will be chosen next year on June 9, 2027, so text me your fishing success photos to possibly be next year's winner.

Well, it's our Isleton Chapters election time again. Board Member Mike Casdia has been selected to be our Nomination Chairman this year. Mike will be contacting all current Officers and Board Members whose terms are expiring at the end of 2026 to determine their individual statuses going forward. In addition, if any of our members are interested in a position as an Officer or Board Member of our Isleton Chapter, please contact Nomination Chairman Mike Casdia at (925) 212-9129.

Continuing on, our membership director Kathy Baccetti tells me that since last month, we had 3 new regular members join us. Our new regular members are Ashtyn Phillips, Kevin Adair and Amanda Jacque. Welcome aboard! If you're reading this and would like to become a member, please don't hesitate to join! Your membership strengthens our mission to protect striped bass and other precious fisheries. The easiest way to renew your membership, or to join us as a new member, is to come to one of our monthly meetings. If you're unable to attend one of our meetings, you can simply go to the Isleton link of the website (www.striper-csba.org) as we do take credit cards online. If you'd prefer to renew/join via the US Mail, you can print our Isleton Chapter application off the membership link of the website, fill it out, and mail your check or credit card information to the Isleton address listed. All new members joining receive an Isleton Chapter hat, 2 Isleton Chapter decals, and other Isleton Chapter swag. Previous members that renew receive an Isleton Chapter decal, all as a thank you for being a member. In addition, we will be holding a membership drive at the Rio Vista Bass Derby and Festival. If you know of someone who would like to join our organization, or if you'd like to renew your membership for 2027, please visit us at the weigh station in front of Rio Vista City Hall during the derby.

In closing, I hope to see you at the Rio Vista Bass Derby and Festival. Also, please join us at our next dinner, meeting and informative seminar that will be held on Wednesday, October 14, 2026. Please come join us.

FISHING REPORT

This report should be called a salmon report, as mostly everyone I contacted was fishing for salmon, even avid striper fisherman and our Isleton Board Member Mark Wilson. But Mark did share with me both a striper and salmon report. First, a striper report that he said was excellent. Mark told me that he and his friends fished the West Bank below Rio Vista recently for 25 keeper striped bass averaging 7 pounds on up to 23 pounds, only keeping their limits. Mark went on to say that the incoming tide seemed to be better for them trolling Yozuri and P-Line deep diving lures. Grass and wind did hamper the bite, but Mark suggested checking your lures regularly to clear the grass. Mark continued to tell me that he and his friends fished 2 days for salmon last week. His first day was in the Garcia Bend area for 2 salmon to 18 pounds and the second day they fished the Discovery Park area for 4 salmon also to 18 pounds. Mark added that they were all trolling Silvertron lures in a green or chartreuse colors.

Meanwhile, our Isleton Commercial Member Captain Kyle Wise of HeadHunter Sportfishing was also salmon fishing with his clients. Capt. Kyle tells me that he's been trolling the areas near channel marker 36A above the Rio Vista Bridge and up the Sacramento River near the City of Isleton's old cannery. Capt. Kyle further told me that he has been trolling Apex "Rotten Banana" lures behind 360 flasher rigs using 12-ounce weights. He's been putting his customers on limits to near limits of salmon from 8 to 23 pounds.

The sturgeon "catch and release" season closed on June 30, 2026 and will reopen on Thursday, October 1, 2026. A sturgeon report will resume next month.

If you'd like to fish at Lake Berryessa for black bass, then our Isleton Commercial Member Guide Don Paganelli of Paganelli's Bass Fishing Experience has a great report. Don tells me that the Fall bite on the lake has started, so he's switched up having his clients now spooning for black bass. Don continued to say that the bass are now aggressively feeding on shad, so he begins the day by graphing the lake off shore starting in 40 feet of water looking for structure and bait. Once the bait is found he's having his customers spooning with Blade Runner "Morning Dawn" ¾ to 1-ounce spoons for an excellent grade of black bass.

For information only. J and P Bait, located at San Francisco's Fisherman's Wharf, closed for the season on Friday, September 18, 2026. We would like to thank you for all your hard work this season supplying live bait to Bay Area anglers. Keep and eye on this report next spring for their 2027 opener.

Now for a salmon report from out in the Pacific Ocean. Our Isleton Commercial Member Captain Craig Hansen of Argo Sportfishing has been navigating from his berth at Fisherman's Wharf and out the Golden Gate with his clients, targeting salmon. Capt. Craig continued to tell me that he's been trolling the areas of Muir Beach, Rocky Point and the Duxbury Bouy for limits to early limits of salmon on some days. Capt. Craig added that the salmon have been averaging 15 pounds to 20+ pound fish. Capt. Craig further added that he's trolling anchovies exclusively to entice the salmon.

Captain Ron Koyasako of Nautilus Excursions has been doing much of the same, targeting salmon for his customers out the Golden Gate. Capt. Ron told me that he's been putting his clients on limits to near limits of salmon at Muir Beach and at the Duxbury Reef area trolling anchovies. Capt. Ron added that his clients boated 2-30+ pound salmon this past week.

For more information on the ocean salmon season please visit the California Department of Fish and Wildlife's ocean salmon web page to view current regulations and catch estimates for each management areas:

RECIPE OF THE MONTH – OCTOBER 2026
BAKED CRUSTED SALMON

INGREDIENTS

4 salmon fillets (about 6 oz. each), skinless
1/2 cup Panko breadcrumbs
1/4 cup grated Parmesan cheese
2 tablespoons fresh Italian parsley, chopped
1 tablespoon fresh thyme, chopped
1 clove garlic, minced
2 tablespoons Dijon mustard
2 tablespoons olive oil
Salt & pepper to taste
Lemon wedges for serving (optional)

INSTRUCTIONS

Preheat the oven to 400 degrees F. Line a baking sheet with parchment paper or lightly grease it. In a small bowl, combine the Panko breadcrumbs, grated Parmesan cheese, chopped Italian parsley, thyme, and minced garlic. Add the olive oil and mix well until the breadcrumbs are evenly coated. Season with salt and pepper to taste. Pat the salmon fillets dry with paper towels and place them on the prepared baking sheet. Spread a thin layer of the Dijon mustard on top of each fillet, then press the breadcrumb mixture into the mustard-coated side of the salmon, ensuring it adheres well and forms an even crust. Bake the salmon in the preheated oven for 12 – 15 minutes, or until the crust is golden brown and the salmon is cooked to your desired doneness. The salmon should flake easily with a fork. Remove the salmon from the oven and let it rest for a few minutes before serving. Serve the crusted salmon with the lemon wedges (optional) and your favorite sides.

We would like to thank Matt Giuntoli, owner of "Snag 'Um and Bag 'Um" for joining us on Wednesday, September 9, 2026. Matt provided an overview of his company's vast product line as well as insight into their future offerings. Moreover, he discussed when and where to use their specific products and the advantage of downsizing your baits when the bite gets tough. We would like to thank Matt Giuntoli for joining us and sharing information on his company's product line with us including his tips when using his vast line of tackle and products.
